Gentlemen:

The contractor submits Enclosures (A), (B), (C) and (D), described above, indicating acceptance of the terms and provisions contained therein subject to the understanding that the "non-promotional" clause of the subject task orders refers to only those articles to be delivered under the subject contract and in no way restricts the contractor from displaying similar type equipment for promotional purposes after completion of the subject contract.

Very truly yours,

[Redacted], Assistant Director
Contract Administration Division
